## CHARACTER TRAINING

Our goal is to teach our children Godly character. Promptness is the character trait being taught this week and is defined as "Being on time." Another character trait related to promptness is responsibility. Tardiness is becoming a major concern. Tardiness distracts from our mission and interrupts classroom learning. The school board is examining our current policy (found in your student handbook). Regardless of who is making your family late, please make it a priority to be at school on time.
