

## PARENT EDUCATIONAL/FINANCIAL COMMITMENT

1. We understand that Community Christian School is not a school for the educable slow and that it is not an institution for the correction of behavioral problems.
2. We do hereby state that we have considered the school's purpose, statement of faith, curriculum, discipline, dress code, texts, methods, testing, counseling and motives of the school, and we agree to make them our choice for the coming school year.
3. We, as parents, accept the challenge to "train up a child in the way he should go" (Proverbs 22:6) and place our trust in Community Christian School to extend that training more completely, upholding and supporting the high academic standards of the school by providing a place at home for our child to study.
4. We pledge our loyal support to the school through prayer, positive attitude, attendance at important meetings and our faithful and regular tuition payments as well as participation in school fundraising.
5. We give permission to the teachers and administration to make and enforce school regulations in a matter consistent with Christian principles and discipline as set forth in the Scriptures.
6. We further agree that we will cooperate and discipline our child in the home as needed.
7. We understand that assessments will be made to cover damages to school property, including breakage of windows, book damage and abuse of other personal property.
8. We pledge that if, for any reason, our child does not respond favorably to the school, we will do everything in our power to cooperate with the school to help our child make the necessary adjustments. If these adjustments cannot be made then we agree to withdraw our child.
9. I realize that in order to meet the income of the school, it is necessary that I keep my children in for the full school term, and if circumstances beyond my control force me to withdraw my children, I promise to pay that month's tuition in full.
10. I recognize that tuition does not cover all the costs of educating my child. I will make a dedicated effort in fund raising and volunteering my time.
11. I realize that Community Christian School is a non-profit organization. Therefore, I understand that if my bill is not paid by the 20<sup>th</sup> of the proceeding month, I will pay a \$10.00 late charge. If the account is not current by the end of the month, I will withdraw my children until I am able to make the payment. If a plan to become current is offered to and accepted by the Board and is moving toward completion, the students may continue attending class.
12. I understand that registration is non-refundable and reserves my child(ren) places(s) in the school. I understand that all tuition is non-refundable after students have started classes.
13. I realize I am paying one month in advance and my last tuition payment is due in April.
14. I understand that there is a \$25.00 service charge on all returned checks and, if three checks are returned in a year, I promise to make further payments in cash. I understand that registration and tuition payments are to be handled through the office and not through the teachers. I may also mail the payments to the office.
