For the past few years CCS has been selling Community Day Coupons for Herbergers. All the money generated from this fundraiser goes towards serving our community. In the past we have "adopted" families from the community and purchased Christmas

gifts for them. This is a no-hassle fundraiser. It is not mandatory for you to sell these coupons. They will be in the office if you would like to purchase the. If you are interested in selling them please talk to Karen Valdes 308-641-6662 or email karen@ccsneb.com. Each packet is \$5.00 and it includes one \$10 coupon to use on a single or sale price merchandise item of \$10 or more. The packets also include 8 merchandise coupons to save on items throughout the store. 100% of the \$5.00 coupon price for each one sold is ours to keep!! We appreciate your support!

STUDENT LED CONFERENCES

We have chosen to have student led conferences at CCS for a couple of reasons. Most importantly, students are the focus of all we do here! We want to continue to emphasize that students are the primary component in our school. We also desire to have students understand that they are equal partners in the educational process. In student led conferences, teachers become facilitators: Students remain the focus. Students will be communicating their progress, achievements, and goals with you. We are attempting to create a more open dialogue between you and your son or daughter, while continuing to provide you with accurate objective performance information. We are excited about this format and the opportunities it provides for improving student achievement.
