CHAMPIONS!!

The fourth and fifth grade quiz bowl team, coached by teachers Miss Kayla Leach and Mrs. Arlene Barnes, won the Monument Mall Quiz Bowl on Saturday, November 8. The team members included fourth graders Jim Eastman and Jacob Hansen and fifth graders Eseh Ingram and Mark Persinger. Erika Geary was an alternate.

The CCS team rolled through the eight team field by winning each of its four matches. They began by facing St. Agnes in the first round of the day. CCS won the match 8-2. Lincoln Heights, who had bested the eventual third place Westmoor team in the first round, was our next opponent. The Eagles posted a secure 10-4 victory in that match, which positioned them against Roosevelt in the finals of the winners bracket. Roosevelt had beaten both Banner County and Mitchell on their way to the finals. After falling behind 3-1 early in the match, CCS rebounded with a 7-0 run to win the match 8-3. The championship was a rematch with Roosevelt and the CCS team was determined! They posted a strong 16-1 victory to claim first place and the \$300 award.

Congratulations to everyone involved! The teachers mentioned the primary reason for a CCS victory was preparation. Way to go team! I was also impressed with the balance of our squad. Each member contributed to every victory and their teamwork was fun to watch.

INTERNATIONAL STUDENT PROGRAM...WHY?

Some of you may be wondering why CCS is considering an International Student Program or if there are any benefits for your children. Here are a few motivations for the program:

- **Making and sending disciples to other nations.** Instead of paying large sums of money to go on a mission trip, International students will gladly pay for the privilege of studying in the US. This presents us with a unique opportunity to teach the Word of God to these students who will be returning to their home country. And God's Word does not return void, but accomplishes that for which it is sent!

- **Exposing our students to other cultures.** We have the opportunity to have our children interact with kids their age but who are different - culturally speaking. Bridging the gap between our cultures has the potential for life changing impacts. Imagine a CCS junior higher having a deeper understanding of the value of education as it relates to being half a world away from your family. Consider the chance for one of our students to lead a student to Christ who, in turn, shares the gospel with their entire family.

- **Increase enrollment in our Junior High.** Our fundraising goals are based annually on student enrollment numbers. Imagine what having four more students adds to the equation.

- **Host families benefit.** My family is still in contact with the exchange student we hosted when I was in 7th grade. Both my parents and my brother and I have stayed in her home in Germany when we were there. We still maintain contact.

- **Being the hand of God.**

"Whatever you have done for the

least of these...you have done for me." I'm excited to see God's hand of provision as we obediently bless other nations.

Let's talk if you are interested in serving as a host family.
