

School Hours

Office Hours: 7:40am – 3:50pm
 Preschool and PreKindergarten: 8 to 11:15 am
 PreKindergarten: 8 to 11:30 am
 Kindergarten -- 5th Grade: 7:57am - 3:30pm

CCS FACULTY & STAFF 2022-2023

Director Of Operations - **Mrs. Steph Reynaga** - Chadron State College; BA of Science

Director Of Instruction/ Pre-K - **Mrs. Dana Cardwell** –Chadron State College; BA of Science with an emphasis in Elementary Education and Special Education; Masters of Science in Curriculum & Instruction with an emphasis in Early Childhood Education.

Director of Development/ Specials - **Mrs. Deanna Goranson** – Nebraska Wesleyan University; BA of Music in Education.

Pre School - **Ms. Michele Kuxhausen**- Chadron State College; BA in K-8 Elementary Education.

Kindergarten – **Mrs. Keri Benton**- Chadron State College; Masters of Science in Education

First Grade – **Mrs. Brandy Johnson** - Grand Canyon University; Masters of Arts in Education

Second Grade - **Ms. Rayleigh Farrenkopf**- Chadron State College; BA in K-8 Elementary Education

Third Grade- **Mrs. Crystal Schank**- Chadron State College; BS in Elementary Education

Fourth/Fifth Grade – **Ms. Darcy Frizzell** – Western Governors University; BA in K-8 Education

Paraprofessionals	Mrs. Priscilla Chavez
	Mrs. Priscilla Cushing
Office Manager	Mrs. Shannon Goss
Business Manager	Mrs. Wendi Nichols
Cafeteria Manager/Para	Mrs. Marcy Thomalla
Child Care Center Director	Mrs. Michele Kuxhausen

School Board Members 2022-2023

board@ccsneb.com

Robert Rogers – President
 Laurie Hall - Vice President
 Arlene Barnes – Secretary

Absences

If a student is going to be absent, parents are asked to call the school by 8:00 a.m. the morning of the absence. Please request homework assignments at that time. Homework will be available to pick up after 3:15 p.m. at the office. Please, do not disturb classes to pick up homework. An unexcused absence is one for which there is no prior notice or phone call to the school.

5 absences (Non-excused) will result in a teacher phone call to parents/guardians regarding concern regarding student absences and how that affects learning and performance.

10 absences (Excused/Non-Excused) The Head Teacher will make contact with parents/guardians and their child to discuss his/her excessive absences, or eventual need of sending a letter and documentation of excessive absences to the county Attorney. Attendees must sign a form documenting the meeting, date, and specific concerns.

15 absences (Excused/Non-Excused) Head teacher/teacher(s) will meet with the parents and student regarding excessive absences. The purpose of the meeting is to alleviate the need to proceed toward following State Statute (79-209) which requires a letter to the County Attorney seeking intervention regarding a student's excessive absenteeism and the potential loss of credit and/or expulsion. Minutes of the meeting are to be signed by all attendees.

20 absences (Excused/Non-Excused) A formal letter is sent to the County Attorney stating: (a) Due to the specific reasons (i.e.: extended illness) the Head Teacher is requesting additional time to work with the student prior to seeking County Attorney intervention; or (b) The Head Teacher believes that the school has used reasonable effort to resolve the student's excessive absenteeism and is requesting County Attorney intervention.

In circumstances where excessive absenteeism is seriously affecting a student's performance or behavior, Community Christian School reserves the right to seek assistance from the County Attorney in writing after 10 days of non-excused absences.

Academic Standards

Each student is expected to complete assignments on time. Incomplete/missing work must be completed at home. Report cards are issued every nine weeks. Parent teacher conferences are held in October with Student Led conferences in March. Parents are encouraged to email or visit with teachers if there are any concerns throughout the year.

The following grading system is used.

Preschool-Kindergarten	First-Fifth Grades & Specials
Evaluation Checklists	4= Advanced
	3=Proficient
	2=Needs Improvement
	1=Severe Deficiency

Admission Policy

Preschool students must be 3 years old by July 31 of the school year beginning in September. Pre-kindergarten students must be 4 years old by July 31 of the school year beginning in September. Kindergarten students must be 5 years old by July 31 of the school year beginning in September. A student's acceptance at any grade level is determined by admission assessment results (if necessary), interview data, and recommendations from the teacher and Head Teacher. No student shall be admitted who has a history of emotional or disciplinary problems, or a severe learning identification in which our program is not staffed. CCS's admissions practices are intended to fulfill Christ's commission to "make disciples" by challenging students who are not yet Christians to accept Christ as their Savior and by helping students that have accepted Christ as Savior to grow in their Christian faith (*Matthew 28:19*). As a Christian School, CCS encourages every student to be certain of their choice to accept and serve Jesus Christ as Lord and Savior and to be prepared to effectively inspire others as they share their faith.

Assembly

A daily assembly will take place each morning in the gym at 8 am lead by the Head Teacher. During this time, children will gather as a community to recite the pledges, hear special announcements, celebrate accomplishments, recognize birthdays, etc.

Board Meetings

The Board of Education meets every month, unless notification is provided to parents otherwise. CCS Board meetings are public meetings and parents are encouraged to attend. Notification of the board meetings will be in each communicator. In the event a patron would like to address the Board, the following policy will give guidance for those comments:

Patrons' Comments may be limited to five minutes per speaker and will be delivered in a manner reflective of Christian principles, refraining from hearsay, gossip, and anger. Comments related to policy will be heard in open session. Comments related to personnel will be heard in a closed executive session, considered as the last item on the board's regular agenda, to protect the reputation of the subject(s). All comments will be considered and addressed by the Board prior to the next month's board meeting, with an explanation and/or decision provided in writing to the patron. All comments offered in open session and related outcomes will be recorded in the minutes and available for public review. Patrons who feel they require more time or consideration of their comments are encouraged to request their issue be placed on the agenda as an agenda item one week (seven calendar days) prior to the scheduled meeting.

Care of School Property

Students are expected to be good stewards of the building and equipment, and refrain from marring or in any way damaging school walls, books, desks, furniture, doors, etc. This includes care and cleanliness in bathrooms. Students are to realize that bathroom etiquette is a reflection of the school. Anyone deliberately or accidentally damaging property will be expected to make financial restitution to the school for repair or replacement. Payment for books lost or damaged beyond normal use must be made to replace them.

Causes

CCS is an interdenominational school. The school is not to be used for church promotion, fund-raising, political, or religious causes. No literature be distributed or displayed at CCS without prior approval. However, notices concerning Christian concerts and events may be displayed on the bulletin board in the entrance of the school.

Cell Phone Policy

Cell phones will be turned in to the teacher at the start of the school day and returned to students at the end of the school day, 3:30 pm, and may be used for student-parent communication only. Any inappropriate use of cell phones at CCS, a CCS activity, or on field trips will be cause for loss of all cell phone usage privileges at CCS for the remainder of the school year and may result in disciplinary action. CCS will not be responsible for lost or stolen phones.

Chapel

Chapel is held weekly and is coordinated by a teacher. Various leaders in the community share messages of encouragement with the students to further God's kingdom. Chapel visitors agree to adhere to our Statement of Faith.

Childcare (including before and after school care)

Before school care is provided through the Child Care Center from 6:00 to 7:45 am. During this time students must be on the fenced-in playground or in the gymnasium and must enter through the Child Care Center. The cost is a flat rate of \$5.00(billed) for morning care. Adult supervision is provided from 3:30 pm. until 6:00 pm. Because students at school are the responsibility of CCS staff, any child left at school after 3:45 p.m. will be placed in after-school care. Students need to wait for parents in 5C and exit through the 5C doors. Please do not expect your child to wait outside unsupervised after 3:45 pm. The rate is a flat rate of \$6.00(billed) per child. Advance notice is REQUIRED.

Communication with Parents

Communication is one of the most important tools used to enhance students' success. In order for CCS to have effective communication with families it is essential that the office has current contact information for all students at all times. Weekly folders will be sent home with important school information, newsletters, The Communicator, etc. Please look for this each week.

Conflict Resolution Procedure

It is critical for successful conflict resolution to heed God's plan in Matthew chapter 18. This design is outlined below.

1. Questions and criticisms are to be brought directly to the teacher, staff member, or parent with whom there is a grievance. Most of the time, the issue is due to miscommunication. The discussion should be a personal meeting between the **parent and member of the school community whose work is in question**.
2. If the parent is not satisfied, an appeal may be made to Administration in the form of a personal meeting.
3. Only in extreme grievances should the School Board be involved. Final authority lies with the School Board.

Curriculum

The Bible is considered the core curriculum. We believe our Biblical Worldview should permeate every aspect of the school. The elementary curriculum includes Bible, Math, Phonics (K-2), Reading, Writing, Language, Spelling, Science, Social Studies, Music, Art, and Physical Education/Health.

Discipline

At CCS we encourage all students to honor God with their words and actions. We believe we are making disciples and therefore we encourage and discipline students when necessary in order to help them grow. We practice Positive Behavior Support thru our Five Guided Principles (identified in handbook under Guiding Principles). Each classroom has a specific behavior plan/program in order to encourage appropriate behavior. We reward students for hard work and meeting both academic and behavior goals at school.

When dealing with student discipline, the administration strives to seek truth and reasoning in determining the appropriate consequence(s). It is critical that parents and the school communicate effectively regarding behavior, therefore, oral and/or written notices are given to parents in an instance where a child has signed the behavior log, received a Low Level Referral or an Office Referral. Because the testimony of CCS is a compilation of moral and biblical standards actively supported by the student body, staff, administration, and School Board, these policies are applicable at all times during the school year. If a student commits a Category IV Offense, the student may not be allowed to return when school resumes. The final disciplinary decision will be determined by the administrator. Parents will be notified when children are disciplined by the Head Teacher at school.

Possible Offenses for Log Book

1. Disorderly conduct
2. Disobedience, lack of cooperation leading to incomplete work
3. Disrespect/Defiance to students or staff.
4. Disruptive behavior.
5. Dishonesty/Cheating

Discipline Procedures for Log Book

1. The student will sign the behavior log and the teacher will contact the parent(s). Students will serve detention or clean the sidewalk during recess. Students who are continually uncooperative are subject to stricter consequences at the discretion of the teacher, Head Teacher, and parents, which may include a Low Level Referral or Office Referral.

Low Level Referral Possible Offenses

1. Repeat infractions in the log book (after 3 logs).
2. Fighting to include loss of temper resulting in physical contact.
3. Bullying/treating another student in a demeaning way including verbal and physical harassment. (Harassment is defined as: to trouble, torment or confuse by continual persistent attacks.)
4. Threatening, lying, deceit.
5. Cursing, Vulgarity including jesting, noises, and actions.
6. Vandalism. Students must repair and/or supply restitution.
7. Theft
8. Malicious gossip/slander.

Discipline Procedures for Low Level Referrals

1. Students will sign a low level referral form (they will also sign the log if it was a repeated infraction).
2. Students who are continually uncooperative are subject to stricter consequences at the discretion of the teacher, Head Teacher, and parents, which may include in-school suspension. This may include a SOARR Behavior Plan.

Office Referral Offenses

1. Repeated Low-Level Referrals
2. Smoking or chewing tobacco (possession of tobacco)
3. Intentional destruction of school or personal property (arson, vandalism, etc)
4. Theft, to include forcefully or destructively entering others' private property and/or taking CCS possessions. Restitution must be made.
5. Fighting, to include initiating physical contact to inflict harm, or physical contact with verbal threats
6. Possession of pornography.
7. Verbal threats with intent to cause harm
8. Intentional disrespect of the Christian faith and/or the school's mission

Discipline Procedures for Office Referral

1. Office Referral to Head Teacher
2. Discipline is at the discretion of Head Teacher, classroom teacher, and parents but may include. A form dictating a plan of action will be signed by teacher, student, parent, and Head Teacher. This may include:
 - In-School Suspension
 - Out-of-School Suspension
 - SOARR Behavior Plan

Offenses resulting in Expulsion:

1. Drug or alcohol use, possession, or sale.
2. Physical assault or injury with a weapon
3. Sexual immorality (ex: assault, possession of pornography, threats of sexual nature)
4. Threats of violence against staff, students, or school

Discipline Procedure for Expulsions

1. Office Referral to the Head Teacher (the referral will be reviewed with staff and parents)
2. Immediate dismissal. A School Board hearing may be requested.

Definitions of discipline procedures:

1. A Behavior Log is a document kept in classrooms for students to sign when a behavior infraction has taken place. Three log signings may result in a Low Level Referral to the Head Teacher.
2. A Low Level Referral is a visit to the Head Teacher and contact with parents that repeated infractions have occurred OR a more serious offense that requires more targeted solutions.
3. An Office Referral is written documentation by the staff member describing the specific incident. When an Office Referral is written, the Head Teacher will contact the parents/guardian to discuss the matter and proceed based on the severity of the offense. If a student receives multiple Office Referrals, the child may be dismissed from CCS.
2. In-school suspension means that the student will be isolated from the student body for the assigned time period. The student will do the required assignments and will receive full credit for completed work.
3. Out-of-school suspension means the student will not be allowed to attend school or any school activities during this time period. The student will receive credit for assignments completed.
4. Expulsion means the student will be immediately disenrolled from CCS. Parents may request a hearing with the School Board.

5. A SOARR behavior plan is to help a student create attainable behavior goals with the support of a visual aid and regular feedback from classroom teacher, parents, and Head Teacher. This is an agreed upon plan by all parties.

Dismissal Procedures

Preschool and PreKinder students will be released to parents at the front, main entrance. Kindergarten-5th grade are dismissed through East Gate. After school hours (3:45), students will need to be picked up through 5C, our afterschool/child-care program. **At no time will students be allowed to be unsupervised and/or loitering in the halls or on the front lawn.**

Dress Code

Parents are responsible to enforce the dress code before students leave home. Students should come to school dressed neatly and modestly, and should be clean and well-groomed. The administration reserves the right to serve as final authority on student appearance. Dress code shall apply to all students during the school hours and school-sponsored activities, including field trips and sports events. Clothes should be in good condition. Hats, caps, and sunglasses may not be worn in the building. Articles that cause distraction or have offensive pictures or slogans or worldly attitudes contrary to God's Word will not be permitted. Shorts and skirts must be of a moderate length (at least mid-thigh). Questionable lengths will be decided by the Office. Shorts may be worn if the temperature is predicted to be over 60 degrees. Cutoffs are not allowed. Bathing suits worn for field trip activities must be modest. **Unacceptable Attire for Girls;** Low-cut, backless, strapless, sheer, or otherwise immodest clothing, including short crop tops, halter tops, spaghetti-strap tops. Clothing with holes (patched clothing is acceptable). Clothing that allows exposure of the midriff or undergarments.

Unacceptable Attire for Boys; Unbuttoned shirt without a T-shirt; Mesh shirts, tank tops, sleeveless tops and flip-flops. Clothing with holes (patched clothing is acceptable).

Emergency Drills

Fire drills will be conducted two times during the first two weeks of school. Fire drills will be conducted once a month thereafter for a total of 10 fire drills per school year.

Tornado and Lockdown drills will be conducted a minimum of one time per semester.

Finance and Tuition

Tuition is paid monthly. Families are required to participate in ACH payments, unless paying annually or semi-annually. Payment is due on the 5th and/or 20th of the month. Students whose accounts are 30 days past due are subject to dismissal until the account becomes current, unless written arrangements have been made with the School Board or administrator. All accounts must be paid before sixth graders can participate in graduation ceremonies, or other end of year activities. Financial aid applications are available in the office. Guidelines for receiving any financial aid are detailed in the form. Applications should be received by April 1 for best consideration.

Fundraising

Fundraising is a necessity to meet finances since tuition does not cover all the expenses of the school. Every family is encouraged to volunteer. Two major fundraisers are The Clean City Scramble and The Enchilada Factory. All fundraising activities must be approved by the Board.

Guiding Principles

We will SOARR like Eagles by using the following Guiding Principles to encourage positive behavior!

Safety ~ Proverbs 4:10-27

We will make good decisions to protect the well-being of ourselves and others.

We will obey the adults in our lives at home and away.

We will seek wisdom and discernment in all things.

We will use words and actions that keep ourselves, others and our environment safe.

We will honor and obey God's rules.

Ownership ~ Romans 14:12

We will make amends for mistakes by apologizing, repairing or replacing.

We will admit when we are wrong – being honest with ourselves, others and God.

We will apologize when we hurt someone.
We will repair or replace anything that we break or damage.
We will each learn to confess our wrongdoing to God and take ownership of our faith journey.

Attitude ~ Galatians 5:22-23

We will be well-mannered, compassionate, helpful and willing.
We will use good manners and be kind throughout our day.
We will be compassionate and helpful toward others.
We will be willing and open to learn new things and to stand up for what is right ~ courageous!
We will seek to please God with our attitude.

Respect ~ 1 Peter 2:17

We will communicate in a positive and uplifting way.
We will respect ourselves.
We will respect others and those in authority.
We will respect our school.
We will show respect for God.

Responsibility ~ Hebrews 6:10-12

We will be dependable and follow through with our commitments.
We will attend to our activities on time.
We will keep track of our duties and assignments.
We will follow through when someone or something is depending on us.
We will become doers of God's Word.

Health

Nonprescription medication will not be provided for student(s). Medication may be given to children for a limited amount of time with proper paperwork filed in the office. Prescription medicine will be distributed with a doctor's note and prescription must be in original container. First aid will be administered by the office staff. Students with a temperature of 100 degrees or more should not be sent to school and will be sent home if a fever occurs while at school. A child must be fever-free without medication for 24 hours before returning to school. The office must have a current phone number where a parent can be reached in the event of an emergency. Students who vomit during the day will be sent home and cannot return to school if they vomit within the next 24 hours. Any rashes or eye infections may require a student to be sent home when there is a question of contagiousness. A student may return to school when a physician states that he/she is no longer contagious or when symptoms disappear. Any child discovered with head lice will be asked to leave school that day and wash with appropriate shampoo and comb through the hair. All such cases will be kept confidential. A physical exam, vaccinations and eye exams are required for children entering kindergarten.

Holiday Celebrations

We strive to focus on Christ in all holiday celebrations. Therefore we ask that no secular celebratory items be brought to school in the form of snacks or items for parties. This would include Easter bunnies, Halloween items, and Santa Claus items.

Homework

The purpose of homework is:

- a) To reinforce what is being learned at school
- b) Allow extra time for students to complete activities due to absences or inability to complete during class
- c) To encourage responsibility and ownership of class projects and assignments

We encourage family time at home and are sensitive to additional after school activities. Therefore, we encourage students to finish activities at school, but there are some activities/projects that need to be done at home.

The length of homework will average: Kindergarten – 10 minutes per night; First–Third Grades – 20 minutes per night;
Fourth-Sixth Grades – 30 minutes per night

Insurance

Part of tuition provides secondary insurance coverage for CCS students or CCS teams. If a student is hurt at school, families must file with their insurance company first. Anything not covered by a family's insurance will be considered by the school's insurance.

Internet/Computer Policy

Community Christian School will provide computer access to all students to support classroom instruction. Use of the computer lab will be supervised at all times. CCS will employ firewall technology and other blocking apparatus to ensure our children are protected

from harmful internet influences while at school. However, parents realize that no site-blocking measures are 100% effective, and will not hold the school responsible for breaches that may occur. A computer contract is required to be signed by all students and parents. Here is an excerpt of that contract:

Use of computer hardware, software, and network is a student privilege which will be revoked if abused. Students are personally responsible for their actions in using and accessing the school's computer resources. Failure to abide by these guidelines will result in any or all of the following: loss of computer use, loss of network privileges, disciplinary action/referral, school suspension, and restitution.

Leaving the Building

Students are not to leave the building or school grounds during school hours without a parent's consent. Students wishing to leave for any reason, including lunch, must have written permission from a parent or guardian. Parents must sign students out and sign them back in at the office. Students left after school are still the responsibility of CCS staff. They may not leave the premises without parent permission.

Lost and Found

A lost and found box is located in or near the gym. Unclaimed articles will be given to charity at the end of the year. Please put your child's name on everything brought to school. The school and teachers will not be responsible for any lost articles.

Lunch Charge Policy

Lunch with milk is \$3.50/day. Extra Milk is \$0.50/day. Guests must call in by 8:10 am on the day they wish to eat at school. Lunch funds may be checked on Sycamore. Families may not carry a deficit in their lunch account of more than \$20.00. Once an account reaches this point, parents will be contacted to bring lunch money or provide lunch for their child. Students not wishing to participate in the hot lunch program for the day may bring a sack lunch from home. Lunch and milk payments may be made in the office for the hot lunch program. Payment methods include cash, check, credit card, and PayPal. Households may apply for meal benefits any time during the school year.

Lunch Non-Discrimination Statement

Nondiscrimination Statement

In accordance with Federal civil rights law and U.S. Department of Agriculture (USDA) civil rights regulations and policies, the USDA, its Agencies, offices, and employees, and institutions participating in or administering USDA programs are prohibited from discriminating based on race, color, national origin, sex, disability, age, or reprisal or retaliation for prior civil rights activity in any program or activity conducted or funded by USDA.

Persons with disabilities who require alternative means of communication for program information (e.g. Braille, large print, audiotape, American Sign Language, etc.), should contact the Agency (State or local) where they applied for benefits. Individuals who are deaf, hard of hearing or have speech disabilities may contact USDA through the Federal Relay Service at (800) 877-8339. Additionally, program information may be made available in languages other than English.

To file a program complaint of discrimination, complete the USDA Program Discrimination Complaint Form, (AD-3027) found online at: http://www.ascr.usda.gov/complaint_filing_cust.html, and at any USDA office, or write a letter addressed to USDA and provide in the letter all of the information requested in the form. To request a copy of the complaint form, call (866) 632-9992. Submit your completed form or letter to USDA by:

- (1) Mail: U.S. Department of Agriculture
Office of the Assistant Secretary for Civil Rights
1400 Independence Avenue, SW
Washington, D.C. 20250-9410
- (2) Fax: (202) 690-7442; or
- (3) Email: program.intake@usda.gov

This institution is an equal opportunity provider.

Non-Friable Asbestos

The building does contain a small amount of non-friable asbestos. Non-friable asbestos means asbestos that is covered and will not come in contact with students or staff. These areas are noted in the School's Asbestos plan.

Nondiscrimination Statement

This statement explains what to do if you believe you have been treated unfairly or been a victim of discrimination.

In accordance with Federal law and U.S. Department of Agriculture policy, this institution is prohibited from discriminating on the basis of race, color, national origin, sex, age or disability. To file a complaint of discrimination, write USDA, Director, Office of Civil Rights, 1400 Independence Avenue, S.W., Washington, D.C. 20250-9410 or call toll free (866)632-9992 (voice). Individuals who are hearing impaired or have speech disabilities may contact USDA through the Federal Relay Service at (800)877-8339 or (800)845-6136 (Spanish). USDA is an equal opportunity provider and employer.

Parent-Teacher Fellowship (PTF)

The CCS PTF exists to serve. Our purpose is to manage fundraisers, promote school spirit and biblical principles, and show teachers and staff our appreciation and support. We facilitate parent-teacher partnerships within the school in addition to creating a spirit of community between CCS parents.

Safety App

CCS subscribes to the "Quick Access" Safety App. We encourage all families to subscribe to the app through their smartphones. In the case of emergency, families would be notified thru the application with specific instructions regarding relocation, etc. During a crisis situation, this application also gives teachers immediate information and feedback regarding the situation AND instructions for keeping our students as safe as possible.

School Messenger

As a communication tool, we use School Messenger. This system transmits school announcements via voice mail, email, and text messages in a timely manner to our families. This ensures that all families receive the same information at the same time in the most efficient way possible. In the case of an emergency situation, the school uses the Quick Access app as shared above.

Security

Gates are open at 7:45am and school begins at 7:57am. Gates will be locked again for the day. Students who arrive late must enter through the front door. The gates will be unlocked at 3:30pm for dismissal and locked by 3:45pm. After 3:45pm students must be picked up through the childcare center. During school sponsored events students may exit through the front door with an adult **after being checked out from the office.**

Standardized Testing

Students are assessed three times per year using the NWEA MAP Test. Measures of Academic Progress® (MAP®) creates a personalized assessment experience by adapting to each student's learning level—precisely measuring student progress and growth for each individual. Parent reports for the testing results will be sent home soon after each testing period. Teachers use this information to assess students' progress, lesson plan, and differentiate instruction.

Statement of Faith

1. We believe the Bible is the inspired, the only infallible, authoritative, inerrant word of God.
2. We believe there is one God, eternally present in three persons, Father, Son, and Holy Spirit.
3. We believe in the deity of Christ, His virgin birth, His sinless life and atoning death, His resurrection and His ascension to the right hand of the father, His personal return in power and glory.
4. We believe that in the beginning, God created man in a state of perfection to live in communion with Him. Sin separated man from God. The penalty of this sin is death. Each individual is called upon to trust (exercise faith) that Christ died for him/her.
5. We believe in the resurrection of both the saved and the lost; they that are saved unto the resurrection of life, and they that are lost unto the resurrection of damnation.
6. We believe in the spiritual unity of believers in our Lord Jesus Christ.
7. We believe in the present ministry of the Holy Spirit by whose indwelling the Christian is enabled to live a godly life.

Tardies

Any student will be considered tardy after the morning assembly. The only excused tardy is a doctor's appointment. Attendance and lunch count will be finalized by 8:15am. If a student arrives at school after 8:15, he or she **MUST** sign in at the office. If a tardy student needs a hot lunch, the parent **MUST** call the school **BEFORE** 8:15am.

Telephone Use

With homeroom teacher and office permission, students may use the phone before school, at recess, and after school. Cell phones may be brought to school and are governed by the "Cell Phone Policy" stated earlier.

Virtues

- Faith... Believes in a Biblical foundation for all learning
- Courage... Perseveres after truth even when risks exist
- Integrity... Chooses to honor strong character at all times
- Creativity... Explores gifts and talents
- Eloquence... Communicates with confidence in speech, writing, reading, and action
- Humility... Exhibits humble confidence
- Diligence... Strives for excellence to God's glory not personal gain
- Servanthood... Generously gives of time and talents to help others
- Love... Expresses charity to others unconditionally
- Balance... Pursues life and learning with temperance

Visitors

Parents are always welcome to visit their child's classroom. Please make sure you notify the teacher or confirm the most appropriate time of day. If parents need to visit with the teacher individually, they are available before school starting at 7:30am or after school

starting at 3:45pm. If class is in session, please feel free to leave forgotten lunches, messages, money, books, or homework in the office so the class is not disturbed. In order to ensure school safety all parents, guardians, and visitors MUST check in at the office to receive a visitor tag and sign in.

Weather Announcements

In case of inclement weather, parents or guardians will be notified by phone call or text message, or turn to KCMF 96.9 FM or KNEB 94.1 FM and 960 AM. Announcements will be made after 7:00am on the day of closure or delay. Please do not call the school office.

Wellness Policy

Community Christian School acknowledges that student and staff wellness are vital to the learning environment. As recommended by the Nebraska Department of Education Healthy Schools Program (July 29, 2016), Community Christian School will provide a healthful learning environment by supporting school policy with healthy school meals, healthy competitive foods and beverages, physical and social/emotional education, physical activity, and student and employee wellness. CCS aims to promote lifelong health habits in our students and staff. These lessons shall be aligned with federal guidelines, 7190 DISTRICT WELLNESS POLICY, and The Healthy, Hunger-Free Kids Act of 2010.

District Wellness Committee

Committee Role and Membership

The School Wellness Committee will meet at least two times per year to establish goals for school health and safety policies and programs, including development, implementation, and periodic review and update of the District wellness policy. The SWC will include at least two parents and one staff member. To the extent possible, representatives will reflect the diversity of the community.

Leadership

The Head Teacher will convene the SWC, facilitate review of and updates to the wellness policy, and ensure each school's compliance with the policy. A list of current members will be provided annually to parents at the corporate meeting.

The Head Teacher will

Wellness Policy Implementation, Monitoring, Accountability, and Community Engagement

Implementation Plan

Community Christian School will develop, implement, and maintain a plan to manage and coordinate the execution of this wellness policy. The plan delineates roles, responsibilities, actions, and timelines specific to each school; and includes information about who will be responsible to make what change, by how much, where and when; as well as specific goals and objectives for nutrition standards for all foods and beverages available on the school campus, food and beverage marketing, nutrition promotion and education, physical activity, physical education and other school-based activities that promote student wellness. The SWC will provide a written copy of the goals to the corporate body at the annual corporate meeting with the implementation plan. Annual reports will be shared on the school's website and be available in the office.

Recordkeeping

The school will retain records to track progress and compliance with the school's wellness policy. This will include kitchen records, an annual climate survey completed by parents, and data recorded by the Office Manager and PE/Health Teacher.

The school will retain

Annual Notification of Policy

The District will actively inform families each year of basic information about this policy, including its content, any updates to the policy, and implementation status. The school will make this information available via the District website and/or district-wide communications. This will include a summary of the District's events or activities related to wellness policy implementation. Annually, the school will share the names of the SWC to the corporate body.

The District will actively

Triennial Progress Assessments

At least once every three years, the District will evaluate compliance with the wellness policy to assess the implementation of the policy and include:

- The extent to which the school is in compliance with the wellness policy;
- The extent to which the school's wellness policy compares to the Nebraska Schools in Action Program; and
- A description of the progress made in attaining the goals of the school's wellness policy.

The position/person responsible for managing the triennial assessment is the Head Teacher. The SWC will monitor the schools' triennial compliance with this wellness policy. The school will notify households/families of the availability of the triennial progress report.

Revisions and Updating the Policy

The SWC will update or modify the wellness policy based on the results of the annual School Climate Survey and triennial assessments; community needs change; wellness goals are met; new health science, information, and technology emerges; and new Federal or state guidance or standards are issued. Following the triennial assessment, the wellness policy will be reviewed and updated as needed.

Community Involvement, Outreach, and Communications

The school will communicate ways in which representatives of the SWC and others can participate in the development, implementation, and periodic review and update of the wellness policy. The District will use the staff intranet and staff newsletter, the school's website, and corporate meeting to notify families of the District Wellness Policy and encourage involvement.

The school will also inform parents of the improvements that have been made to school meals and compliance with school meal standards, availability of child nutrition programs and how to apply.

Nutrition

School Meals

The school is committed to serving healthy meals to children, including a variety of fruits, vegetables, whole grains, and fat-free and low-fat milk; that are moderate in sodium, low in saturated fat, and have zero grams trans-fat per serving (nutrition label or manufacturer's specification); and to meeting the nutrition needs of school children within their calorie requirements. The school meal programs aim to improve the diet and health of school children, help reduce childhood obesity, model healthy eating to support the development of lifelong healthy eating patterns, and support healthy choices while accommodating cultural food preferences and special dietary needs.

The school operates within the guidelines of the Federal School Lunch Program. The school may also operate additional nutrition-related programs and activities. The school is committed to offering school meals through the NSLP that:

- Are accessible to all students;
- Are appealing and attractive to children;
- Are served in clean and pleasant settings;
- Meet or exceed current nutrition requirements established by local, state, and Federal statutes and regulations; and
- Promote healthy food and beverage choices following Smarter Lunchroom techniques.

Staff Qualifications and Professional Development

All school nutrition program directors, managers, and staff will meet or exceed hiring and annual continuing education/training requirements in the USDA professional standards for child nutrition professionals. These school nutrition personnel will refer to USDA's Professional Standards for School Nutrition Standards website to search for training that meets their learning needs.

Water

To promote hydration, free, safe, unflavored drinking water will be available to all students throughout the school day. The school will make drinking water available to students where school meals are served during meal times.

Competitive Foods and Beverages

The school is committed to ensuring that all foods and beverages available to students and staff on the school campus during the school day support healthy eating. Staff are expected to model healthy nutrition habits in the presence of students. The foods and beverages sold and served outside of the school meal programs (e.g., "competitive" foods and beverages) will meet the USDA Smart Snacks in School nutrition standards, at a minimum

Celebrations and Rewards

All foods offered on the school campus must meet or exceed the USDA Smart Snacks in School nutrition standard. This includes celebrations, parties, and classroom snacks whether brought by parents or provided by school staff. Food will not be used as an incentive or reward. The District will provide ideas for non-food incentives and rewards

Fundraising

Foods and beverages that meet or exceed the USDA Smart Snacks in Schools nutrition standards may be sold through fundraisers on the school campus during the school day. Foods that will not be consumed on school premises may be used for fundraising activities https://www.fns.usda.gov/sites/default/files/allfoods_fundraisers.pdf.

Fundraising Activities

Activities to raise funds by involving the school community in wellness promotion through physical activity, nutrition, and mindful living:

- Healthy Fundraisers
 - Schools encourage organizations to raise funds by selling non-food items.
 - Foods or beverages sold for fundraising cannot be in competition with school meals
- Ideas for Fundraising
 - Penny in the Park– active games outdoors
 - MOSO Stomp- Mother-Son Dance
 - Clean City Scramble- Cleaning Trash]

Nutrition Promotion

Nutrition promotion and education positively influence lifelong eating behaviors by using evidence-based techniques and nutrition messages, and by creating food environments that encourage healthy nutrition choices and encourage participation in school meal programs. Students and staff will receive consistent nutrition messages throughout schools, classrooms, gymnasiums, and cafeterias. Nutrition promotion also includes marketing and advertising nutritious foods and beverages to students and is most effective when implemented consistently through a comprehensive approach by school staff, teachers, parents, students and the community.

The school will promote healthy food and beverage choices for all students throughout the school campus, as well as encourage participation in school meal programs. This promotion will occur through:

- Implementing evidence-based healthy food promotion techniques through the school meal programs using Smarter Lunchroom techniques: <http://www.smarterlunchrooms.org/scorecard-tools/smarter-lunchrooms-strategies>
- Ensuring 100% of foods and beverages promoted to students meet the USDA Smart Snacks in School nutrition standards.

Nutrition Education

The school will teach, model, encourage, and support healthy eating by all students. Schools will provide nutrition education and engage in nutrition promotion that:

- Is designed to provide students with the knowledge and skills necessary to promote and protect their health;
- Is part of not only health education classes, but also integrated into other classroom instruction through subjects such as math, science, language arts, social sciences, and elective subjects;
- Includes enjoyable, developmentally-appropriate, culturally-relevant and participatory activities, such as cooking demonstrations or lessons, promotions, taste-testing, farm visits, and school gardens;
- Promotes fruits, vegetables, whole-grain products, low-fat and fat-free dairy products, and healthy food preparation methods;
- Emphasizes caloric balance between food intake and energy expenditure (promotes physical activity/exercise);
- Links with school meal programs, cafeteria nutrition promotion activities, school gardens, Farm to School programs, other school foods, and nutrition-related community services;
- Teaches media literacy with an emphasis on food and beverage marketing;
- Includes nutrition education training for teachers and other staff; and
- Incorporates nutrition education for parents/guardians at a minimum of one existing school event per year utilizing approved materials available through the District.

Essential Healthy Eating Topics in Health Education

The District will include in the health education curriculum a minimum of 12 of the following essential topics on healthy eating:

- Relationship between healthy eating and personal health and disease prevention
- Food guidance from MyPlate
- Reading and using FDA's nutrition fact labels
- Eating a variety of foods every day
- Balancing food intake and physical activity
- Eating more fruits, vegetables, and whole grain products
- Choosing foods that are low in fat, saturated fat, and cholesterol and do not contain trans fat
- Choosing foods and beverages with minimal added sugars
- Eating more calcium-rich foods
- Preparing healthy meals and snacks
- Risks of unhealthy weight control practices
- Accepting body size differences
- Food safety
- Importance of water consumption
- Importance of eating breakfast
- Making healthy choices when eating at restaurants
- Eating disorders
- The Dietary Guidelines for Americans

- Reducing sodium intake
- Social influences on healthy eating, including media, family, peers and culture
- How to find valid information or services related to nutrition and dietary behavior
- How to develop a plan and track progress toward achieving a personal goal to eat healthfully
- Resisting peer pressure related to unhealthy dietary behavior
- Influencing, supporting, or advocating for others' healthy dietary behavior

Food and Beverage Marketing in Schools

The school is committed to providing a school environment that ensures opportunities for all students to practice healthy eating and physical activity behaviors throughout the school day while minimizing commercial distractions. The school strives to teach students how to make informed choices about nutrition, health, and physical activity.

Any foods and beverages marketed or promoted to students on the school campus during the school day will meet or exceed the USDA Smart Snacks in School nutrition standards or, if stronger, state nutrition standards, such that only those foods that comply with or exceed those nutrition standards are permitted to be marketed or promoted to students.

Food and beverage marketing is defined as advertising and other promotions in schools. Food and beverage marketing often includes oral, written, or graphic statements made for the purpose of promoting the sale of a food or beverage product made by the producer, manufacturer, seller or any other entity with a commercial interest in the product.

As the school nutrition services/PTF reviews existing contracts and considers new contracts, equipment and product purchasing (and replacement) decisions should reflect the applicable marketing guidelines established by the school's wellness policy.

Physical Activity

Physical activity during the school day (including but not limited to recess, classroom physical activity breaks, or physical education) will not be withheld as punishment. Children and adolescents should participate in physical activity every day.

CCS strives to provide physical activity through multiple opportunities throughout the day. Schools will ensure that these varied physical activity opportunities are in addition to, and not as a substitute for, physical education (addressed in "Physical Education" subsection). All students and staff will be encouraged to participate in movement activities such Brain Breaks, or comparable programs.

The school will ensure that its grounds and facilities are safe and that equipment is available to students to be active. The school will conduct necessary inspections and repairs.

Physical Education

The school implements physical education, using an age-appropriate, sequential physical education curriculum. The physical education curriculum will promote the benefits of a physically active lifestyle and will help students develop skills to engage in lifelong healthy habits, as well as incorporate essential health education concepts.

All students will be provided equal opportunity to participate in physical education classes. The school will make appropriate accommodations to allow for equitable participation for all students and will adapt physical education classes and equipment as necessary. The school's physical education program will promote student physical fitness through curriculum based fitness and activity assessments.

Essential Physical Activity Topics in Health Education

Health education will be required in all elementary grades. The school will include in the health education curriculum a minimum of 12 of the following essential topics on physical activity:

- The physical, psychological, or social benefits of physical activity
- How physical activity can contribute to a healthy weight and healthy lifestyle
- How physical activity can contribute to the academic learning process
- How an inactive lifestyle contributes to chronic disease
- Health-related fitness, that is, cardiovascular endurance, muscular endurance, muscular strength, flexibility, and body composition
- Differences between physical activity, exercise and fitness Phases of an exercise session, that is, warm up, workout and cool down
- Overcoming barriers to physical activity
- Decreasing sedentary activities, such as TV watching and gaming
- Opportunities for physical activity in the community
- Preventing injury during physical activity
- Weather-related safety, for example, avoiding heat stroke, hypothermia and sunburn while being physically active
- How much physical activity is enough, that is, determining frequency, intensity, time and type of physical activity
- Developing an individualized physical activity and fitness plan
- Monitoring progress toward reaching goals in an individualized physical activity plan
- Dangers of using performance-enhancing drugs, such as steroids
- Social influences on physical activity, including media, family, peers and culture
- How to find valid information or services related to physical activity and fitness
- How to influence, support, or advocate for others to engage in physical activity
- How to resist peer pressure that discourages physical activity.

Recess

The school will offer at least 45 minutes of recess on all days during the school year. Exceptions may be made as appropriate, such as on early dismissal or special event days. Appropriate hand-washing facilities and/or hand-sanitizing mechanisms should be located just inside/outside the cafeteria to allow students to use these mechanisms before eating.

Outdoor recess will be offered when weather and other conditions make it feasible for outdoor play. Recess will complement, not substitute, physical education class. Recess monitors or teachers will encourage students to be active and will serve as role models by being physically active alongside the students whenever feasible. In the event that recess must be held indoors, teachers and staff will follow the indoor recess guidelines that promote physical activity for students, to the extent practicable.

Classroom Physical Activity Breaks (Elementary and Secondary)

Students will be offered periodic opportunities to be active or to stretch throughout the day on all or most days during a typical school week. The school recommends teachers provide short (3-5 minute) physical activity breaks to students during and between classes during the school day. These physical activity breaks will complement, not substitute, for physical education class, recess, and class transition periods.

Active Academics

Teachers will incorporate movement and kinesthetic learning approaches into “core” subject instruction when possible (e.g., science, math, language arts, social studies and others) and do their part to limit sedentary behavior during the school day. The District will support classroom teachers incorporating physical activity and employing kinesthetic learning approaches into core subjects by providing annual professional development opportunities and resources, including information on leading activities, activity options, as well as making available background material on the connections between learning and movement. Teachers should strive to provide an additional 15-30 minutes of physical activity in the classrooms each day to supplement recess and physical education times. Teachers will serve as role models by being physically active alongside the students whenever feasible.

Before and After School Activities

The school will encourage students to be physically active before and after school by sponsoring or permitting physical activity during the childcare programming.

Other Activities that Promote Student/Staff Wellness

Description of basic guidelines

The school will integrate nutritional, physical, and mental wellness activities across the entire school setting, and work towards the same set of goals and objectives promoting student and staff well-being, optimal development and strong educational outcomes.

All school-sponsored wellness events will include nutritional, physical, and mental activity and healthy eating opportunities when appropriate.

Community Partnerships

The school will develop, enhance, or continue relationships with community partners (e.g., hospitals, universities/colleges, local businesses, extension office providers, and coordinators, etc.) in support of this wellness policy implementation. Existing and new community partnerships and sponsorships will be evaluated by a designated Wellness representative to ensure that they are consistent with the wellness policy and its goals.

Community Health Promotion and Family Engagement

The school will promote to parents/caregivers, families, and the general community the benefits of and approaches for healthy eating and physical activity throughout the school year. Families will be informed and invited to participate in school-sponsored activities and will receive information about health promotion efforts. As described in the “Community Involvement, Outreach, and Communications” subsection, the school will use electronic mechanisms (e.g., email or displaying notices on the District’s website), as well as non-electronic mechanisms, (e.g., newsletters, presentations to parents or sending information home to parents), to ensure that all families are actively notified of opportunities to participate in school-sponsored activities and receive information about health promotion efforts.

Staff Wellness and Health Promotion

Research confirms that school employees who participate in wellness activities are less likely to be absent as well as increase their productivity. The school encourages healthy habits amongst staff to improve health and wellness!

This is achieved by offering a monthly health and wellness focus to staff.

When feasible, the school will offer professional learning opportunities and resources for staff to increase knowledge and skills about promoting healthy behaviors at school (e.g., increasing the use of kinesthetic teaching approaches or incorporating nutrition lessons into math class). Professional learning will help staff understand the connections between academics and health and the ways in which health and wellness are integrated into ongoing district reform or academic improvement plans/efforts.

Staff may also utilize wellness options during staff development days or at staff meetings. Activities may include CPR training classes, activity or exercise groups, or healthy recipe exchanges.
